Subject: Going into business in coins + stamps

Warburton, H.S., Mrs.

[Fall River, MA]

1929

Nov. 25, 1929

Numismatic Society,
New York.

Will you kindly tell me where I can get information in regard to starting a business in coins and stamps.

Mrs. H. S. Warburton,
657 Robeson St.
Fall River,
Mass.

November 27th 1929

Mrs. H. S.Warburton
657 Robeson Street
Fall River, Mass.

Dear Madam,

I do not see how I can help you very much with regard to information about coins and stamps for the purpose of going into business. Generally one starts this kind of business by slow degrees, after having spent many years in collecting. One has to pretty thoroughly know their subject, current prices and so forth, before venturing into this field. A close study and application to auction sales, is good training.

Very truly yours,

Curator.
